

# **Lancaster** **ARKING** Authority **News**

*Spring 2015*

## ***New Easy to Use Website***

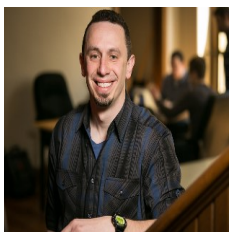

We recently updated our website creating a comprehensive tool for exploring our services, details on all our garages, and a great interactive map providing directions. Follow this link to see for yourself: [www.lancasterparkingauthority.com](http://www.lancasterparkingauthority.com)

## ***LPA Board Member Changes***

Many thanks to Lisa Riggs, President of the Economic Development Company of Lancaster, who is completing two terms on the LPA board encompassing the last ten years. Lisa provided a strong vision for the strategic direction of the LPA. Thank you for your service!

At the same time, we welcome the Mayor's appointment of Mark Reinmiller, owner of Kinectiv, a social media, graphics and website design company in the city. But not only does Mark own his own business, along with his wife Rachael Reinmiller, they own Commonwealth on Queen restaurant and catering. Mark and Rachel also reside in the city.

## ***New LPA Security***

The LPA is proud to announce the hiring of two full-time bike patrol security officers. Todd Hawn brings fifteen years of experience as a patrol officer. Most recently as Chief Park Ranger with the Lancaster County Dept. of Parks & Recreation. And John Jurasko has over twenty years experience in federal law enforcement and bike patrol training. We welcome them both to the LPA team.

Feel free to contact our Executive Director, Larry J. Cohen, with any suggestions or comments. He can be reached at 717-299-0907 or via e-mail at: [lcohen@lancasterparkingauthority.com](mailto:lcohen@lancasterparkingauthority.com). Thank you for your business and support of Lancaster City.

## ***The Status of Parking in the City***

The LPA has released a detailed paper on the status of parking in the city. Among the areas included in the report are LPA parking rates compared to neighboring cities, the need for future expansion, details on the history of the LPA and how we handle large events. It is available to read from our website. Follow the link below to the white paper on our website:

The State of Parking in Lancaster City

## ***Coming Soon: Pay by Phone!***

No more need to carry a handful of coins at single space meters! The LPA is in the midst of evaluating the leading pay by phone companies in the country with the anticipation of awarding a provider to the city by Fall of this year. Pay By Phone will provide an APP to your smartphone (or a local number to call) to pay for parking. This will be another option for payment for on-street parking, at the CBD kiosks as well as our single space meters. Full details will be provided on how to use the service soon. Stay tuned.
