

UPDATE ON PRINCE STREET GARAGE

Repairs to the exiting helix are more extensive than planned and the garage will be closed to daily parking at least through the end of July.

As soon as possible, we will provide notification when the garage will re-open for daily parking.

DAILY PARKERS SHOULD CONTINUE TO USE CENTRAL GARAGE

PRINCE STREET ENTRANCE REMAINS OPEN FOR MONTHLY PERMIT HOLDERS

ORANGE STREET ENTRANCE REMAINS CLOSED

Monthly permit parkers who transferred to Water St. or North Queen St. Garages can remain in these garages through July or can visit the parking office and request returning to Prince Street Garage.

We are sorry for any inconvenience this may cause. Feel free to contact us at 299-0907 with any questions. We again thank you for your understanding as we pro-actively work to maintain the longevity of our garages.
