

## **UPDATE ON PRINCE STREET GARAGE**

**LOWER LEVELS OF HELIX REPAIRS ARE NOW COMPLETED  
DAILY PARKERS CAN RETURN AS OF TUESDAY, SEPTEMBER 5<sup>th</sup>.**

### **REDUCED CLEARANCE to 6' 2" DURING REMAINING REPAIRS**

Repairs to the lower levels of the helix are now complete and will allow for daily parkers to return to the garage starting on the morning of Tuesday, September 5<sup>th</sup>.

Monthly permit parkers who transferred to Water Street or North Queen Street Garages should visit the office to set up returning to the Prince Street Garage.

### **PLEASE NOTE:**

**A surface coating will be applied to the entire helix prior to the end of the year which will require partial closures of the helix.**

Work on the upper levels of the helix will continue until the end of October. There will be ongoing internal traffic pattern changes on the upper levels of the garage.

We again thank you for your understanding as we proactively work to maintain the longevity of our garages. Feel free to contact us at 299-0907 with any questions.
