## Free On-Street Parking December 17-24

Come visit and shop! It's the holiday season and LPA is offering FREE on-street parking in the downtown business district from Monday, Dec. 17, through Monday, Dec. 24.

"We are happy to offer free parking once again this year," said Larry J. Cohen, executive director. "It's an opportunity to give back to our community and help the small business owners who depend on your business during the holidays."

Two-hour free parking will be available at both the meters and kiosks. Look for bags on the meters and electronic messages on the kiosks noting the free holiday parking.

## Parking in Garages During a Snow Emergency

WINTER WEATHER  
INFO

A snow emergency is only enacted by the City when there is anticipated or 8" or more of snow. If a snow emergency is enacted, it will be announced on media, website and social media outlets. For more information on the City's snow emergency procedures, read [here](#).

- The LPA will provide downtown residents free parking in all LPA garages on a first-come, first-serve basis for the duration of the snow emergency to allow streets to be cleared.
- If one garage is full, residents may park in another garage.
- Residents should pull a ticket upon entry.
- When the snow emergency is lifted, residents have two hours (unless a different time is noted) to remove vehicles. The hourly rate will apply to those parking longer than two hours.
