New App Users Get One Hour FREE Parking in July

All new users of the ParkMobile or Park Lancaster app (they are the same service) will receive a free hour of on-street parking in July. To qualify, you need to download the app, from the App store or Google Play, and set up an account. (See graphic below for steps.)

ParkMobile Makes Parking a Breeze

When you're parking on-the-go, ParkMobile puts the power in the palm of your hand. Easily find and pay for parking from your phone without having to rush back to the car.

Enter your zone # by referring to nearby signage or using the map. Select the duration of time you want to park. Confirm your parking information and start your session. Monitor your session and extend time remotely if needed.

Enter the promotion code **LancFreeHour** to receive a free hour of parking (Value: \$1.50).

The free parking also supports the inaugural Indie Retail Week, July 15-21, when downtown businesses will offer specials to customers.

Using the parking app means you don't have to find cash to pay a meter and you can add more time (up to the two hours, as permitted by City ordinance).

Tobacco-Free Garages

Clean air is the goal of our tobacco-free campaign. All LPA parking garages and offices are now tobacco-free. No smoking of cigarettes or cigars or use of electronic smoking devices such as e-cigarettes or Juuls is allowed.

Lancaster Mayor Danene Sorace and others stopped by a resource table as part of June's First Friday to help introduce the tobacco-free garages. Penn Medicine Lancaster General Health is partnering with LPA to provide help in stopping smoking and tobacco use. People signed posters and took photos in support of #CleanAirLanc.

"We want to lead by example," said Larry Cohen, LPA executive director, "and make clean air a priority in our facilities."

Flower Baskets

Fresh flowers add color and greenery to Lancaster's downtown.

LPA sponsors a basket to support LEADS' efforts to beautify the city.
