You will need the following items to apply for a residential parking permit either online or in person:

- **Driver's License with current address or change of address card**
- **Vehicle Registration**
- **Valid insurance card for the registered vehicle**

If your current address is not on your driver's license and you do not have a change of address card, you will need to provide a change of address card. Exceptions due to secondary residence or use of another person's vehicle will be evaluated individually and additional documentation will be required to determine eligibility for a residential parking permit.
